

Charge-It! Refillable, Rechargeable Aerosol Accessory No. 43600

Extremely dependable, with an almost indestructible stainless steel and polyacetal construction, you can fill Charge-It! with liquid product and charge with compressed air (up to 150 PSI). The aerosol spray walls and tips feel and spray similarly to a regular aerosol and are simple to replace at very little cost. Various spray tips and valves are available. Designed to be used with Slide bulk products.
